**INSTRUCTION FOR AUTHORS REGARDING MANUSCRIPT  
PREPARATION AND SUBMISSION**

- With each manuscript submission, author(s) must enclose a covering letter describing the significance of the work, its distinctiveness and any similar work the authors reported before.
  - \* Signed by all contributors
  - \* Previous publication / presentations mentioned
  - \* Conflicts of interest disclosed
- Research Papers: Research papers should not exceed 5,000 words (including references), though in some cases, longer accounts may also be entertained. Original manuscripts in style and content not accepted or published elsewhere, are welcomed.

Each manuscript must include an informative one-paragraph abstract that briefly (fewer than 200 words) summarizes the article.

Manuscripts along with an abstract and four or five key words can be submitted for publication. Keywords and abstract are important to ensure readers to find your article online through online search engines.

Book Review: Reviews of high impact good quality books will be accepted. The journal's editorial board also review books submitted for review by the Author or Publisher of relevant books.

The cover page is meant mainly for the convenience of editors. It must include (in order):

- \* Title of the paper (A running title not exceeding 45 characters)
- \* Date of submission
- \* Authors' names, e-mail addresses, phone number of corresponding author (Provide full contact details for the corresponding)
- \* Author including email, mailing address and telephone numbers must be provided \* Postal address
- \* Author (s) Academic affiliation
- \* Paper by more than two author will not be accepted
- \* Word count of text, (including references)
- \* The number of tables and figures
- \* The number of references
